Class of 1998

On October 3, 1997, Sister Elizabeth A. Hill, C.S.J., was inaugurated as the fifth president of St. Joseph's College. In this challenging role, Sister Elizabeth must carry forward the mission and goals of the College as it moves toward the new millennium. Our new president emphasizes this commitment in her own mission statement: "The future will emerge from the fruitful dialectic between continuity and change."

We dedicate this yearbook to you, Sister Elizabeth, because we are confident that you will continue the tradition of excellence at SJC. We invite you to join us, the graduating Class of 1988, in experiencing a "new beginning."

New Beginnings

*Each chapter that is ending
Leads us to a new beginning.
The past that we are leaving
Means a future we are winning.*

*Each change that fills the present
Sets the stage for our tomorrow,
And how we meet each challenge
Helps determine joy or sorrow.*

*In every new beginning
Spirit plays a vital part.
We must approach tomorrow
With a strong and steady heart.*

*So as we turn the corner
Let's all apprehension shed
And fill our hearts with confidence
As we proceed ahead.*

a new beginning

To Mom, Dad, Jenny and Jessie,

Thank you for all your support and encouragement these past four years. I love you!

To my friends (you know who you are!),

I want to thank you so much for being there when I needed a laugh, someone just to be there to listen to me or when I needed cheering up after a long day. You guys always knew when to make me laugh. Thank you so much. I will never forget any of you and the memories we have shared, you will always be a special part of my life. I will miss all of you!

Asimina,

You have been my closest friend since freshman year and I want to thank you for all your support and encouragement. Thank you for always being there!

*"Trust in the Lord with all your heart,
And lean not on your own understanding;
In all your ways acknowledge Him,

Proverbs 3:5,6 (NKJV; Holy Bible)

Thanks and Praise first to Jesus, through whom "I can do all things." (Ph. 4:13).

Special thanks to my parents, for financing my education. I am so very grateful for all of the many blessings that I've received through their hands.

To my darling wife-to-be, I shall marry you soon (6/13/98).

Finally, I pray that the Lord will greatly bless and prosper all of the faculty and students that I have had the pleasure of knowing. God Bless You All!

To my Parents and my sister,

You have always done so much for me, especially these past four years. I know you have made many sacrifices to get me through school and it has been hard. You have encouraged me, supported me, and always told me you were proud of me. You kept me going when I felt like giving up and listened to my complaints. You have made me the person that I am today and with me I take a little bit of all of you. You believed in me and always told me you loved me, giving me the strength to pursue my dreams. I am forever thankful to my family for all the wonderful things that you have given me.

With love always,
Linda

To My Boyfriend, Joseph,

For the past three years you have given me your unconditional love and support. You have always encouraged me and stood by me through the more difficult times. Along with your kindness and generosity, you are forever making my dreams come true.

I love you very much —

To Vanessa,

Even though you're far away, your love is forever present. Thanks for being my best friend and the best sister ever.

To my Pooh,

Thanks for always being there through my "stress." Somehow you always found a way to cheer me up. I love you so much.

To both my grandmothers, to whom I dedicate this,
You both are forever present in my mind and my heart.

To the endless others that have helped me and loved me,
THANKS!

To my parents,

*I believe in me because you've always believed in me.
You've supported my decisions, and encouraged me to reach
my goals. You led me down the road to success. The years go
by so quickly that we sometimes forget to say the words
that mean so much. I just want to say Thank You Mom and
Dad and I Love You.*

To Veronica and Helen,

*You've always stood by me when I needed you the most.
You've helped me follow my dreams. Thank you for
everything. I Love You!!!*

Mike,

*You've believed in me even when I stopped believing in
myself. You are always so patient and understanding. I
would have never made it through my college years without
you. You and your family are so supportive and considerate.
Thank you for being you.
I Love You Mike!*

For my mom,

*At one time in my life I could
have never imagined being here.
I could have never done it

*"Two roads diverged in a yellow wood
And sorry I could not travel both
And be one traveler long I stood
And looked down one as far as I could to where it
bent in the undergrowth;*

*And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day! Yet knowing
how way leads on to way,
I doubted if I should ever come back.*

*I shall be telling this with a sigh
Somewhere ages hence:
Two roads diverged in a wood and I — I took the one less

And that has made all the difference."

In memory of ...

Sister Mary Winifred Grass, CSJ

Sister Mary Winifred Grass became a member of the St. Joseph's College Community in 1935 when she attended as a student. She was appointed Director of the Library in 1940 and held this position until 1991 when she semi-retired as Director Emerita of Libraries. Sr. Mary Winifred's service to the College can be captured in an excerpt from the Vision Statement of the Sisters of St. Joseph: "... a life that is simple, prayerful, courageous and compassionate ..."

FOOTPRINTS

*One night a man had a dream.
He dreamt that he walked along the beach
with the Lord.*

*Across the sky flashed scenes from
his life. For each scene, he realized
that there were two sets of footprints in the sand.
One that belonged to him and one to the Lord.*

*When the last scene of his life flashed before him,
he looked back at the footprints in the sand.
He noticed that many times along the path
of his life, there was only one set of footprints.
He also noticed that they were during the
saddest and most painful times of his life.*

*This really bothered him and he questioned the Lord
about it. He said "Lord, you said that if I decided to follow you,
you would walk with me all the way. But I have noticed that at the
most troublesome times in my life, there is only one set of footprints.
I don't understand why when I needed you the most you would leave me."*

*The Lord replied, "My precious, precious child, I love you
and would never leave you. During your times of trials and suffering
when you saw only one set of footprints, it was then
that I carried you."*

Dear Adam,

Congratulations on your graduation from St. Joseph's. We can remember back to a cold night in January 1976 when we welcomed you into this world. It's nice to recall what the three of us have shared together: the changes which we adjusted to, the closeness and all those sweet and tearful memories.

You give us a special glow inside with all your warm and caring traits. It's for sure all the special friends you made at St. Joseph's feel the same.

May your future be bright. We hope you discover the key to a life that is really worth living. We hope you realize how blessed you are and how much you mean to us.

May you feel God's presence near and may He keep you in His care for all your days and years to come.

The Musician's Prayer
by B.J. Hoff

You've given me the words, Lord, and the music ...
a song of life that's new and unrehearsed;
You've given me the joy that makes my heart sing,
even though at times the tears come first ...
You've taken all my yesterdays of discord,
a clash of cymbals, meaningless and vain;
transposing all the noise into a love song that
floods my very soul with its refrain ...
You've taken all the gifts I once thought mine,
Lord, and changed the composition of
their worth, reclaiming what was Yours from the
beginning, returning them, transfigured by rebirth ...
You've given me the theme for my existence,
and I will sing your glory all my days ...
For now Lord ... and Forever ...
be my music and make my life
a symphony of praise.

Dear Tara, May His music forever fill your soul and
guide your life's journey.
With much love always, The SJC Chorus

Literary Editor: Mary Ronacher

Being a part of this yearbook has definitely been an enjoyable experience. It has allowed me to look back on my years here at St. Joseph's. There are many memories contained within this book. I hope we have been able to capture many of yours.

I would like to thank Sherrie for giving us constant support (and dinner!). Thirdly, I believe we owe our yearbook representative, Frank, many thanks for constantly showing the utmost patience and support. Once again, the creation of this yearbook has been very enjoyable and definitely made my senior year here at St. Joe's one which was filled with tears and laughter.

I truly hope that you cherish this yearbook and hold your memories of St. Joseph's close to you...for many years to come.

Here's to new beginnings!

Amy

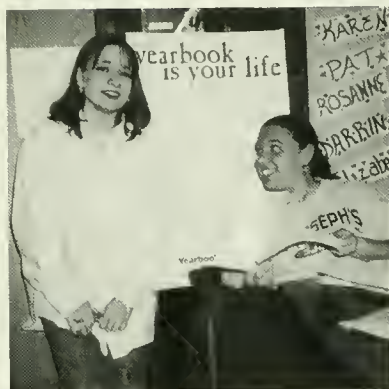

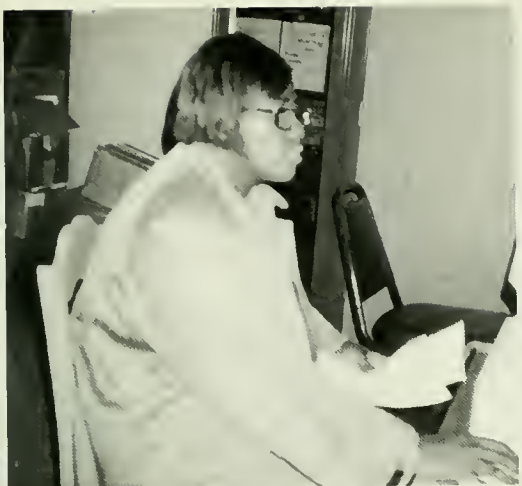

It was a long, hard road to the completion of this yearbook, but we finally did it! Despite the many hours devoted to this project, and the frustrations that accompanied it, the development of this yearbook was a very memorable experience and one that I feel was well worthwhile. I would like to thank all those who helped us along the way, especially Sherrie Van Arnam and Frank Bolton, who spent many late nights with us in 101 and put up with us when things got tough.

I hope that, in this yearbook, we have captured some of your most memorable experiences. I hope you will enjoy it, as much as we enjoyed creating it...for many years to come.

Here's to new beginnings!

Louisa

YOU KNOW YOU'VE BEEN ON THE YEARBOOK STAFF WHEN.....

- ...the Mario's guy calls you by your first name the instant he hears your voice;**
- ...you have searched for hours for S. Myra Paul's picture;**
- ...you've said prayers that Sherrie can remember the alarm code at 11 p.m.;**
- ...you have the satisfaction of knowing that this yearbook is the product of your creativity, hard work, determination and love.**

*Each time we reach a milestone
We're prompted to reflect
On life's important moments
So deserving of respect.
This new event is no exception
You've achieved one more;
You've crossed another threshold,
Opened still another door.
With eagerness let's look ahead
To all life holds in store
And gratefully acknowledge
All the steps that went before.
With this your newest milestone
High praise is clearly due.
Let's hope that life will go on bringing
All the best to you.*
